

Surprised by Grace

God intends fulfillment for us. Yet its easy to forget that truth in our daily life. For fifty years, Elizabeth Sherrill cowrote life-changing books: *The Hiding Place*, *Gods Smuggler*, and *The Cross and the Switchblade*. Now for the first time, in *Surprised by Grace*, she shares her personal discoveries of Gods unfathomable love and strength while battling chronic depression and self-doubt. When God created you, do you think He meant to make someone else? a friend asks Sherrill. Faced with questions like these, she learns shes infinitely valued and cherished by God. In vivid episodes, Sherrill takes you through the three stages of her awakening joy, from the thirty-some years when the idea of God was elusive to the years since then when shes reveled in breathtaking moments in Gods presence and to her inspiring vision of eternity. In *Surprised by Grace*, youll discover that God loves you individually and infinitely. You can find real peace, for you are Gods amazing creation. Let that truth echo forever in your own life.
