

Pursuing Fellowship volume two: By Activating the One Another Principles (The Pursuing with Passion Series) (Volume 5)

Fellowshipthe sharing of the inner life, in the context of Gods Word and in the energy of the Holy Spiritis essential to a successful pursuit of God. There are thirty different one another statements in the Bible, each describing or defining the experience God wants us to have. When combined, these statements provide a cameo-sharp picture of what biblical fellowship really looks like. These one another statements, examined in these two volumes, can be divided four ways: 1) The Supportive Statements Learning Gods ways to become much better friends than weve ever been before 2) The Confrontative Statements Linking lives to uproot sin and to pursue a holiness contagious in its appeal 3) The Preventive Statements Stopping the pain many have experienced at church 4) The Prohibitive Statements Providing a safe atmosphere for fellowship by establishing biblical boundaries
