

## Love And Its Inevitable..Loss

Life is a Maze of unforgiving corners with sharp edges. It is map of wrong turns and near misses. If you discover how to maneuver its dimensional pitfalls.. youre on your way! I never have. I chose instead to watch the others go off the cliff of denial. And end up right back where they started from! Everyone wants to finish first..but seldom do.. In fact.. I think.. only one wins..true? The rest of us.. are close seconds..at best. Not being able to make.. The test.. But thats okay.... cause.. Neither..do they! Love is never ..here to stay. One way or another.. it is gone eventually.. It is not a matter of if.. it is only a matter of when.. Either by break up divorce, or even death.. Love does not last..forever.
