

The Strangest Way: Walking the Christian Path

Is Christianity a bland, domesticated religion, unthreatening and easy to grasp? Or is it the most exotic, unexpected, and uncanny of religious paths? For the mystics and saints -- and for Robert Barron who discovered Christianity through them -- it is surely the strangest way. At its very center, writes Barron, is a God who comes after us with a reckless abandon, breaking open his own heart in love in order to include us in the rhythm of his own life. What could be more compelling?
