

100 Questions & Answers About Brain Tumors

Whether you're a newly diagnosed brain tumor patient, a survivor, or a friend or relative of either, this book offers help. The only text to provide both the doctors and patients point of view, 100 Questions & Answers About Brain Tumors gives you authoritative, practical answers to your questions about treatment options, post-treatment quality of life, sources of support, and much more. The authors, a brain tumor survivor teamed with a neuro-oncologist specializing in brain tumors, provide a comprehensive, step-by-step discussion of what you can expect in the diagnosis and treatment of brain tumors, while providing a real-life understanding of what these steps might mean for your day-to-day life. This book is an invaluable resource for anyone coping with the physical and emotional turmoil of this frightening disease.
