

QuickFacts Basal & Squamous Cell Skin Cancer

Educates and empowers skin cancer patients with the right information. Skin cancer is the number one cancer diagnosis in the United States, affecting more than 1.1 million Americans each year. (That's in addition to the 1.3 million diagnoses of all other cancers.) If you need information now and want to understand how to prevent skin cancer or select treatment options, this concise but comprehensive book covers risk, diagnosis, treatment, potential side effects, and coping.
