

## An Introduction to God Is the Gospel: Meditations on Gods Love as the Gift of Himself (John Piper Small Group Series)

John Piper awakens your group to the highest, best, final, and decisive good of the gospel, without which no other gifts would be good. Some people say forgiveness makes the gospel good news. Others suggest that being saved from hell or gaining freedom from a guilty conscience makes it good news. But the Bible tells us the gospel is good news not because of its many peripheral blessings, but because it brings us to God-and to utter delight in him as our all-sufficient and everlasting treasure. This DVD set and its companion Study Guide dynamically explore the ultimate good of the good news in a guided group study featuring the teaching of Pastor John Piper. Each of his six 30-minute DVD sessions will enable you to guide others to embrace God as the gospel in every area of their lives.
