

Dealing With Back Pain

As a chronic back pain sufferer for almost 30 years, I think I've explored just about every avenue to get pain relief. I have quite a few articles of my own, but feel that there is much better coverage on the topic than my one-sided perspective. I do encourage you to visit my sites and explore my own opinions, observations, trials and tribulations. My articles can be found on my many blog sites, and go into detail on my own journey. <http://FoodsSource.com>
