

## Acres of Diamonds: All Good Things Are Possible, Right Where You Are, and Now!

Inspirational Classic Meet a self-made man who lived a totally unselfish life, and who opened doors of opportunity for untold millions through his philosophy that ALL GOOD THINGS ARE POSSIBLE! He believed that each of us is placed here on earth for one main purpose--to help others. Conwell was a minister, the founder of Temple University, and two hospitals where no one was ever turned away for lack of money. He was also a famous lecturer. In his lecture, the story is told of a man who sells his farm, to travel far and wide in search of diamonds. There is a moral to the tale Conwell gave the lecture over 6,000 times to untold numbers of people. It earned over \$4,000,000 (about \$150,000,000 in today's dollars.) all given to youth and education. ACRES OF DIAMONDS is a spiritual book. It is not a get-rich-quick guide. Conwell saw that success is a spiritual idea, and is a result of spiritual principles. The 160-page book includes the lecture and biographical material. Here is the original self-motivational message, long lost, now found! You, too, can find your fortune -- if you know where to look. Let the author point you in the right direction to find your Acres of Diamonds. There are many opportunities for success today as in Conwell's time, if not more so, because they are found first and foremost in one's own conscience.
