

Literature and Culture in Modern Britain: Volume 1: 1900-1929 (Literature & Culture in Modern Britain)

The first in a three-volume sequence, this book covers the period between 1900 and 1929, providing a perceptive and thorough analysis of British literature within its historical, cultural and artistic context. It identifies the crucial, interwoven relationships between literature and the visual arts, modern poetry, popular fiction, journalism, cinema, music and radio. Much factual detail and a literary chronology guide the reader through the text.
