

Jesus and the Undoing of Adam

Jesus and the Undoing of Adam is straight from the heart of St. Athanasius and the early Church. In this short but powerful book, Dr. Baxter Kruger takes us behind the back of Augustine to rethink the work of Jesus Christ in the light of the blessed truth of the Trinity. Dr. Kruger sets forward a stunning vision of the Triune God and articulates a view of Christ's incarnation, life, death, resurrection and ascension that is rigorously consistent with the truth that the Triune God eternally purposed our adoption in Jesus Christ.
