

The Kingdom of Heaven Within You - Volume 1: The Teachings of Meister Eckhart (Translated)

What is the kingdom of heaven and how may it be attained? In these meditative sermons & tracts, Meister Eckhart elaborates at length upon the Biblical teaching that the kingdom of God is within us not outside, but within. He points out that the exalted state of heavens kingdom is not merely something to be realized after physical death, but may be realized here and now as one allows Gods presence to unfold in ones life. And this is the essence of Christian mysticism. He also gives us beautiful instructions on the proper handling of our own desires and their significance in our growth in the life of Christ. The following unique translations of Meister Eckharts teachings are included in this volume: The Kingdom of Heaven is Nigh The Poor in God The Birth of Christ in the Soul And Jesus went into the temple.
