

## Candide - Classic Illustrated Edition

\* Beautifully illustrated with atmospheric paintings by renowned artists, Candide is the tale of a young man who is living a sheltered life in an Edenic paradise and being indoctrinated with optimism by his mentor, Pangloss. The work describes the abrupt cessation of this lifestyle, followed by Candide's slow, painful disillusionment as he witnesses and experiences great hardships in the world. \* Just as accessible and enjoyable for today's readers as it would have been when first published, the novel is one of the great works of world literature and continues to be widely read today. \* This meticulous digital edition from Heritage Illustrated Publishing is a faithful reproduction of the original text and is enhanced with images of classic works of art carefully selected by our team of professional editors.
