

Heaven, Hell, and Life After Death (40-Minute Bible Studies)

Discover what God says about death, dying, and life after death. Many people are intrigued by what lies beyond death's door, but we live in an age bombarded with many conflicting views. How can we be sure of what is true? In this eye-opening study you'll examine the Bible's answers about death and what comes next. As you confront the inevitability of death in the context of the promise of heaven and the reality of hell, you will be challenged to examine your heart and in doing so, find that, in grabbing hold of the hope of eternal life, the sting of death is replaced with peace. 40 minutes a week could change your life! The 40-Minute Bible Studies series from the teaching team at Precepts Ministries International tackles the topics that matter to you. These inductive study guides, designed to be completed in just six 40-minute lessons with no homework required, help you discover for yourself what God says and how it applies to your life today. With the leader's note and Bible passages included right in the book, each self-contained study is a powerful resource for personal growth and small-group discussion.
