

Divorce to Wholeness (Freedom Series)

When divorce has left you feeling like an open-heart surgery patient without the anesthetic, where can you go for divorce care? Divorce to Wholeness has stories from women just like you—those who have been through a tragedy they did not want, and found recovery. Authors Michelle Borquez and Sharon Kay Ball can promise you this: you will live, you will laugh, and you will love again. Walk through Christian divorce recovery with these women who know how terrible you feel. You will survive just like they did, and gain incredible divorce advice to one day give hope to others. Sharon Kay Ball shares her journey through the waves and deserting sands of divorce. When it felt like Jesus was miles away on a ship sailing farther and farther in the opposite direction, he was actually right beside her. Likening her divorce to the stormy seas, Sharon Kay Ball shares the humiliating feelings that kept her from accepting God's plan. Life after divorce was hard for Sharon. Juggling kids and a job as a psychotherapist made it hard for her to allow herself to go through the proper steps of divorce recovery. Divorce to Wholeness lists the stages of life after divorce and eases worried moms and working professionals alike in their struggle for a balanced life. Licensed counselor Sharon Kay Ball gives practical advice on steps to freedom and how to deal with divorce. Divorce to Wholeness will bring you hope and wholeness. It will speak to your heart and will strengthen your faith. It includes questions and Scripture passages along with space to journal. Look for all 12 of the Freedom Series mini-books. These books are for women who need God's restoration and wholeness after the hurt and destruction of divorce, rape, paralyzing fear, abandonment, abuse, illicit affairs, and other tragedies.
