

# The Encyclopedia of Nutritional Supplements

Michael Murray uses this book to describe how to recognize the symptoms of vitamin and mineral deficiency and what to take to solve the problem. Learn which nutritional supplements to take for high cholesterol, depression, fatigue, arthritis, heart disease, allergies, immune deficiencies and many other health concerns. Includes detailed profiles of all major nutritional supplements and helps you discover how to live longer and fight the effects of aging. Our distributor tells us this is a top seller and very popular so we have chosen to offer it.
