

Caraga Antigua, 1521-1910: The hispanization and christianization of Agusan, Surigao, and East Davao

Excerpt from the Introduction: This second edition is also undertaken to incorporate the essence of some later publications by the present author which have a direct bearing on some pages of the first edition. In addition, an partial condensation of one earlier book is included, vis. the story of the Philippine revolution in east and northeast Mindanao and the subsequent insurrection against the U.S. occupation, which had previously been published in bookform under the title *Angry Days in Mindanao* (San Carlos University, Cebu City - 1987 - 145pp.). Finally, it gives the author a chance to make a few minor corrections an additions deemed necessary, advisable or useful after the first edition had been published... - P. Schreurs MSC, Ph.D., Tilburg, Holland. May 1998
