

A Hundred Feet Over Hell: Flying With the Men of the 220th Recon Airplane Company Over I Corps and the DMZ, Vietnam 1968-1969

A Hundred Feet Over Hell is the story of a handful of young pilots taking extraordinary risks to support those on the ground. Flying over Vietnam in two-seater Cessnas, they often made the difference between a soldier returning alive to his family or having the lonely sound of Taps played over his grave. Based on extensive interviews, and often in the men's own words, A Hundred Feet Over Hell puts the reader in the plane as this intrepid band of U.S. Army aviators calls in fire support for the soldiers and marines of I Corps.
