

Marriage As a Path to Wholeness

Marriage as a Path to Wholeness Harville Hendrix From the author of the national bestseller Getting the Love You Want, a challenging workshop tape on how to create a more fulfilling marriage. Dr. Hendrix breaks down the gates that have confined our understanding of marriage to a 19th-century viewpoint. Marriage is in fact the ultimate way to a meaningful spiritual life, rooted in our primordial relationship with nature. Hendrix shows how images mirrored in the unconscious from childhood can trap you into recreating parent-child conflicts. Topics: The dream marriage; history of Western marriage; rupture with the divine; parental innocence and childhood; guilt; finishing childhood and the unconscious drives; healing the wound of nature; the Imago Therapy concept; nature and the free choice marriage; Imago dialogue exercises and more.
