

The Bible History, Vol. 2 (Classic Reprint)

Uniform with this Work. THE WORLD BEFORE THE FLOOD, AND THE HISTORY OF THE PATRIARCHS. By the Rev. Dr. Edersheim. With Map, crown 8vo. 7.S. 6d. cloth boards. The author evinces learning, power of arrangement, and, what is far better, an earnest, reverent spirit. John Bull. Dr. Edersheim always writes with clearness and force. He has here found a subject which is very suitable to his style. He brings learning to bear on his theme with great freshness ;and contrives always to be interesting. The Author is a connoisseur. By the same Author. THE TEMPLE: its Mosaic and Services at the Time OF Jesus Christ. Imperial 16mo. Handsomely bound, 5J. cloth boards. The first thing that strikes the reader is the author's mastery of the subject. He knows the varied topics he discusses better than most scholars in England: is able to correct the mistakes of critics, and to supply accurate information. The style, too, is clear and good, sometimes very graphic, as in the concluding pages of the excellent chapter on the Passover. There are few who will not learn from a volume which has the results, with little of the show of learning. The Attentiveness. A vast amount of learning has been brought to a focus in this little book. The result is the very best compendium which we have yet seen of information of this kind. The paper, type, and general appearance are faultless. Literary Churchman.(Typographical errors above are due to OCR software and do not occur in the book.)About the Publisher Forgotten Books is a publisher of historical writings, such as: Philosophy, Classics, Science, Religion, History, Folklore and Mythology.Forgotten Books Classic Reprint Series utilizes the latest technology to regenerate facsimiles of historically important writings. Careful attention has been made to accurately preserve the original format of each page whilst digitally enhancing the aged text.
