

Muscle and a Shovel Bible Class Student Workbook

This Muscle and a Shovel Bible Class Student Workbook was designed with you, the student, in mind. You will probably find this lesson workbook to be far different than traditional class workbooks that are based on the fill in the blank model. This course offers you the opportunity to take advantage of Randall Secret by creating 168 Bible-verse notecards throughout the course. In addition, you will participate in unique action points throughout the lesson. Action points are simple, practical, real-life activities to work on during your week, whenever your schedule permits. Finally, each weekly lesson offers vital group discussion points that foster class interaction to help you grow in knowledge and zeal for the faith of Jesus Christ! My hope and prayer is that you will be richly blessed by this Bible class tool, that your faith be deepened, and that you grow as a New Testament Christian. May the Lord Jesus Christ bless you richly!
